

EB Defensive Fund

30 April 2015

Investment Mandate and Objective

The primary objective of the EB Defensive Fund is to preserve capital, maintain liquidity and generate a high level of income. The objective of the fund is to achieve a competitive return on capital in excess of the fund's benchmark. The fund will actively invest in a variety of South African money market, bond, fixed interest and similar instruments. A range of investments in premium quality financial instruments and institutions moderates risk through diversification. The fund aims to outperform traditional savings vehicles such as income and bond funds.
